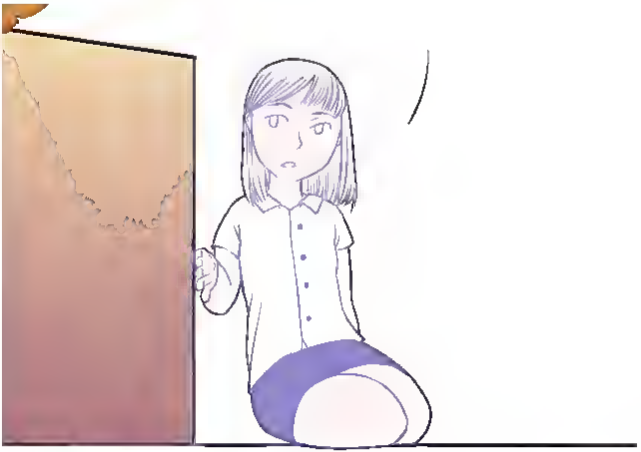
Oh yeah?
....
How was the weekend?



Me too.

I can't tell you everything. What's the point if you don't make up your own mind about it. Don't you know knowledge is power?

Then? What do you think?

Oh yeah... that's right... So then... you must know a lot about different religions then?

Eeww.
IKR

Wait I knew that.

What do you mean? If you're interested you should look it up yourself.

Do I have to?
Can't you just tell me?

Nothing much, just went to church.
Pretty boring as usual.

What about you Cici?

Me? Erm... Well I believe in God. It's good... to know everything happens for a reason, even if I don't understand it.

But that's what pretty much every religion tells you right? How do you know the one you believe in is the right one?

Oh yeah...

Actually... How come? If it's boring why do you go?

Is it because...

Do you believe in God?

What's the next class?
Math.

Just some... I've read a bit.
There are a lot.

Nope

Knowledge is Power?

Cake is not here today?
